## UPSCALE CATERING TABLE

- **UPSCALE DESIGN:** A new oval frame that provides strength, stability, and style. No skirting required.
- **GREEN DESIGN:** From top to bottom, this table has been designed to be used WITHOUT LINENS.
- **EASE OF OPERATION:** Rolls smoothly into service, and folds neatly into the storage position.
- **LARGER SERVICE AREA:** With two tiers of continuous surface space, the new upscale catering table will service all your catering needs.
- **VERSATILE:** Can be used as a reception desk, display stand, or dry bar.

The **NEW SICO Two-Tier Catering Table** combines an upscale look, more spacious upper and lower serving surface, plus easier operation. This table showcases a beautiful combination of style, mobility & durability in one elegant package. It's also extremely practical, as it allows you to set-up in the kitchen, and roll into service.

# UPSCALE CATERING TABLE

Moving tables into storage is as easy as 1, 2, 3!

1) 2nd tier releases from locked position and folds down onto 1st tier.

2) Entire top then folds vertically (with assist from hydraulic damper).

3) Tables nest for compact storage.

Spring-loaded latch and catch auto lock keeps top tier secure in use position.

Hydraulic damper ensures a slow, smooth fold into storage position.

Superior construction. Aircraft locknuts are used at all pivot points so they stay in place through years of use.

Tough .04" (.10cm) thickness high-pressure laminate tabletops meet NEMA specifications for durability and wearability. MDF core outperforms plywood or particle board, is lightweight and resists warping.

A table so elegant, it doesn't require linen or skirting.

New oval tube frame gives an upscale look, as well as strength and stability. Powder-coat finish is durable and scratch resistant.

Non-marking 3" (7.6cm) Dual-wheel casters (2 with locks).

3-year warranty

## TWO-TIER

<b>Tabletop 1st-Tier</b>	72" x 32" (183cm x 81cm)
