

CATERING SERVICE TABLE CHOICES

SICO CATERING AND BUFFET TABLES SET IN THE KITCHEN, ROLL INTO USE, READY TO SERVE.

- Pre-set in the kitchen. A SICO Catering Table allows a beautifully presented service to be completely set up in the kitchen, then rolled into use by one person.
- SICO reduces labor costs because there is no need to double-handle everything on the service table. Only one person is needed to roll a table into service. A cost-effective way to serve lunch to small groups.
- Top quality construction include tops that are MDF construction with SICO Armor-Edge® for easy cleaning.
- The table opens easily from the folded position with the SICO air-brake.
- Two-Tier Jr. is designed for easy access into confined spaces.

CATERING/BUFFET

Roll quietly. SICO Catering Buffet Tables won't disturb meetings. Roll in a coffee service or lunch without disturbing events.

Roll easily. Quiet 5" (12.7cm) SICO casters are oversized so tables roll easily over thresholds, and down carpeted hallways. Two

casters may be locked when the table needs to be stationary.

Multiple Uses. Serve as catering/buffet tables, dry bars or registration desks. Versatile tables include storage racks underneath for holding extra glasses, cups, food warmers, ice buckets, etc.
