

SICO Pacer Table Series

Your choice when you are looking for a table that comes in a variety of shapes to mix the layout of tables in your cafeteria or multi-purpose room.

- **Tops never touch the floor** whether in the use or stored position. SICO tables either are standing on their legs or on their wheels.
- **60% faster set-up** than conventional folding leg tables. The saving in labor alone can pay for SICO tables in a short period of time.

14 gauge square steel center support gives greater strength while preventing damage to tops at center.

Innovative lock bar.
Releasing the lock allows for a gentler opening. Operable from either side of the table.

Recessed legs and horizontal support frame means less bumping of legs.

Square tube legs give extra strength.
One-inch (25mm) 16-gauge steel square tube leg is 63% stronger than one-inch round 16-gauge.

Round, oval, octagon, square, hexagon, rectangular & serpentine.
SICO Pacer Tables are available in a variety of shapes for variety.

Wheels are off the floor in open position, and table rests on its legs. The wheels engage only in folded position.

Warranty: Lifetime warranty on welds and 15 years on other components.
