SICO MOBILE FOLDING BANQUET TABLES

New! One Piece Seamless Top Pacer Table

All that you expect from a SICO table:
Style • Quality • Durability • Ease of Use

One piece seamless laminate tabletop provides guests a spacious surface for their food & beverages.

SICO Armor-Edge® treatment has a proven track record that **eliminates** cracking, peeling, and chipping of table edges.

Elegant 16 gauge oval tube design creates a table with increased strength and durability that requires no linens.

Tough high-pressure laminate tabletops meet NEMA specifications for durability and wearability.

Aircraft lock-nuts & bolts are used at all pivot points. Remain tight and can't work loose.

Undercarriage is 16 gauge square tube design for extra strength and durability.

When in the open position, table rests on **durable plastic glides**. Casters engage only in the folded position.

Rigid vinyl backer sheet applied for moisture control, ease of cleaning, and stain resistance.

Obstruction-free frame and leg design provides comfortable seating for all guests (and less bumping of legs).

Legs are quality nickel chrome plated or colorful powder-coat finished for superior durability and ease of cleaning.

Tamper proof expansion rivets secure frame onto sturdy 3/4" MDF core. No screws to work loose.

Gas charged hydraulic damper makes raising and lowering tabletop an effortless one-person operation.

All SICO tables come with serial numbers for easy identification.
