

# SICO INSERTABLE LEG STAGE & RISER SYSTEM

SICO's insertable leg technology is a very affordable solution to staging and riser needs. Decks lock onto legs securely with flexible pin connectors. Quick, easy, sturdy, dependable and quiet!

**FREE Custom Design Service!** If you can't find the configuration that works for you, send us a drawing of your room (including measurements), list your desired capacity, shape and type of SICO stage and accessories. SICO will design a custom drawing just for you.

SICO's Insertable Leg stages allow easy-to-use rectangular configurations. Insertable legs also allow more height choices to allow for greater number of occupants or changes in location.  
**Leg height choices available in 6" or 8" increments.**
