

SICO® INSTA-THEATRE

Save money, time and space with our unique retractable theatre system.

Features, Advantages & Benefits

Saves Space - Valuable space does not have to be compromised for a permanent theatre. The entire SICO INSTA-THEATRE® stores in a built-in pocket or against a wall in as little as 4.5' (1.4m) of depth.

Saves Time - Rolls out from the pocket or wall to a full performance theatre in minutes.

Saves Money - A fraction of the cost of a built-in theatre. You can enjoy a full proscenium theatre at less than half the cost of a permanent theater.

Versatility - Instantly transforms a cafeteria, gym, or multi-purpose room into a professional theatre.

12 LED Luminaries - Infinite color control.

Wireless Lighting Control - Control up to 100 meters (328') away.

Two Layers of Front Curtains - Velour inner theatre curtains are the same as those used on major stages. Optional outer vinyl liner protective curtain designed to protect the inner theatre curtains when not in use.

Top canopy combined with side and back curtains - Provides excellent acoustics and prevents light leakage from performance area.

Pulley system - Makes opening and closing the curtains a breeze for a fully professional production.

Mobile Corner Towers - The corner towers are connected to front and folding top trusses that securely lock into place. Locks release from ground level.

Durable Casters - Towers roll easily on heavy-duty 6"(15cm) casters.

(2) 110V 15amp Circuits - 50Hz or 60Hz; 100V AC-240V AC

Free Space Configuration Analysis - SICO's® professional staff can help you plan a SICO INSTA-THEATRE® into your new or existing facility.

Warranty - Protected by a **1-Year Warranty** against manufacturer's defects. **Lifetime Warranty** on welds. **3-Years** for theatre staging.
