

SICO[®] DECO Sushi Station

Features, Advantages & Benefits

Stainless Steel Countertop - Non-porous stainless steel top for easy cleaning, sanitation and NSF certification.

Two Duplex Recessed Power Receptacles - 120 volt plug-in for appliances. Max 15 amp.

Two Utensil Holding Trays - Sealed into stainless steel top with rubber O-ring seals to prevent food from entering into the cabinet. 6" Deep x 4" Wide.

Cutting Board - Large spacious work surface measuring 18" (46cm) W x 52" (132cm) L allowing plenty of room for culinary preparation. Two removable bolt pins allow plastic cutting board to be easily fastened, and removed for ease of cleaning.

Countertop Hoshizaki Refrigerated Display Case – Stainless steel self-contained refrigeration display unit presents & preserves food.

- Top surface plating space.
- NSF approved thermometer.
- 11" (28cm) front to back interior display.
- Large diameter upper evaporator with tin plating.
- Large condenser face area improves cooling performance.
- Sliding doors with plastic seals at ends lock in cold air.

Condensation Drip Hose - Condensation moisture generated from refrigeration process passes down through a large 1" (2.5cm) dia. drain hose. Water collects into a removable bucket hidden from view inside the cabinet.

1. **Acrylic Panels with LED Lights** - "Green" energy saving 12 volt internal LED lighting. Multi-function speed controller displays an array of stationary or transitional colors to complement any themed event. Acrylic panel is accented by choice of either black powder coat, or stainless steel fascia and trim.
2. **Laminate Panels** – Choose from 12 color laminate options. Accented by choice of either black powder coat, or stainless steel fascia and trim.
3. **Wood Panels** – Three wood veneer panel options available with your choice of up to 6 stains colors.

Cabinet for Storage - Storage space underneath, hidden from guests' view.

Heavy-Duty Steel Frame - Provides a strong and durable foundation for day-in, and day-out use.

Mobility - Six heavy-duty 4" (10cm) diameter non-marring ball-bearing swivel casters allow stations to move in and out of action with ease.

Serial Number - Provides easy product identification for future reference.

Warranty - Protected by a **1-Year Warranty** against manufacturer's defects. **Lifetime Warranty** on welds. (Excludes natural stone composite top and glass components.)
