

SICO® Deluxe Catering Table

A mobile folding catering table with an upscale design.

Features, Advantages & Benefits

SICO® ARMOR-EDGE®

- The most durable edge available.
- Provides an incredibly tough edge to take hard everyday abuse without damage.
- Hermetically seals the tabletop and bench edges for sanitary purposes.
- Allows for easy clean-up, including steam cleaning.
- Proven track record for long-term durability.

High-pressure Laminate

- Tough .04" (.10cm) thickness high-pressure laminate for added durability and long-term wear.
- Sanitary and easy-to-clean.
- A large variety of striking colors and patterns are available to fit any color scheme.

Solid MDF Core

- Laminate tops are made with extremely durable ¾" MDF core material that is stronger than plywood or particleboard and resists warping.
- MDF core out-performs plywood or particleboard, is light-weight and resists warping.

Rigid Vinyl Backer Sheet

- Applied to the underside of the tabletops for moisture control and easy cleanup (including gum removal), stain resistance and fantastic appearance.
- Far superior to all types of paper backers.

Tamper Proof Expansion Rivets – Fastens tabletop firmly to the frame and won't work loose like ordinary screws.

Aircraft Lock Nuts - Superior construction. Aircraft lock nuts are used at all pivot points so they stay in place through years of use.

Hydraulic Damper Folding Mechanism –

- Entire table top folds up and down for compact storage and use configurations.
- Hydraulic damper ensures a slow, smooth fold into storage position.
- Protective rubber bumper protects table top when tables are nested together for storage.

Secure Locking Mechanism - 2nd tier releases from locked position and folds down onto 1st tier. Spring-loaded latch and catch auto lock keeps top tier surface secure in use position.

Elliptical Surface - Curved elliptical style top edge design offers an aesthetic upscale look. A spacious upper two-tier and lower tier surface provides more table surface space.

Upscale Design

- A table so elegant, it doesn't require linen or skirting.
- Heavy-duty *black powder coated* oval tubular frame finish.
- New *oval tube frame* gives an upscale look, as well as scratch resistance, strength and stability.
- *Double Cross Member Construction* provides added strength and durability.

Dual-wheel Casters - Non-marring 3" (2.6cm) dual-wheel swivel casters roll quietly while protecting the floor. Two front mounted casters lock to ensure table stays in place.

Free Space Analysis - Take advantage of the free space analysis drawings which will provide you with the appropriate number of tables and table accessories.

Warranty – Protected by a **3-Year Warranty** against manufacturer's defects. **Lifetime Warranty** on welds.
