## EXPERIENCE *the best*

Your guests enjoy the convenience and comfort of sleeping on a conventional inner-spring mattress and 4" (10cm) foundation (which you won't find on a roll-away bed that folds).

Housekeepers around the world appreciate the convenience of the non-flip mattress and the ease of transport to the guest. The lightweight design and commercial casters allow the SICO® Mobile Sleeper to be delivered quietly through the hallways. The end legs and pivot points ensure that lowering and raising the bed is easy and hassle free.
