

## **SICO® MultiApp Tables:**

### **For the traditional and collaborative classroom**

The SICO® MultiApp Table defines traditional classroom table convention and is perfect for the new collaborative classroom. Its built-in mobility, and the resulting ability to quickly transform any classroom configuration make it the ideal table for the dynamic learning environment found in today's schools. 21<sup>st</sup> Century students have a new way of learning, and the SICO® MultiApp is the new way to keep up with ever-changing classroom needs.

# SICO® MultiApp Table

Multiple uses. Multiple Styles. Variety of shapes and sizes.

## Features, Advantages & Benefits

### SICO ARMOR-EDGE®

- The most durable edge available.
- Provides an incredibly tough edge to take hard everyday abuse without damage.
- Hermetically seals the tabletop for sanitary purposes and prevents moisture from entering table top core.
- Proven track record for long-term durability.

### High-pressure Laminate

- Tough .04" (.10cm) thickness high-pressure laminate for added durability and long-term wear.
- A large variety of striking colors and patterns are available to fit any cafeteria decor.

**Solid MDF Core** - Laminate tops are made with extremely durable ¾" MDF core material that is stronger than plywood or particleboard, is light-weight, and resists warping.

### Rigid Vinyl Backer Sheet

- Applied to the underside of the tabletops for moisture control and easy cleanup (including gum removal), stain resistance and fantastic appearance.
- Far superior to all types of paper backers.

**Table Top Folds** - Tabletop remains in the use position until lock is released for folding into storage configuration.

**Tamper Proof Expansion Rivets** – Fastens tabletop firmly to the frame and will not work loose like ordinary screws.

**Aircraft Lock-Nuts** – Tamper-resistant lock-nuts are used at all pivot points and won't loosen over time.

**Pneumatic Assist** - Makes folding and unfolding the tabletop quick and easy.

**Tamper Resistant Lock** – Used for locking the table into a fixed use position. Secured by tamper proof Allen wrench/hex screw system.

**Offset Leg Structure** - Allows plenty of leg room. No leg obstructions under table.

**Black Powder-Coat Frame** - Long-lasting durable finish that resists scratches and acts as a protectant.

**Modesty Panel** - Adds privacy under tabletop.

**3" Dual-wheel, Swivel Casters** – One person can easily roll and maneuver tables into service or storage. Rugged locking casters stabilize table.

**Storage** – Tabletop folds and nests in a minimum of storage space. Tops fold and tables nest for easy storage.

**Free Space Analysis** - Analysis drawings which will provide you with the appropriate number of tables and accessories.

**Warranty** – Protected by a **10-Year Warranty** against manufacturer's defects. **Lifetime Warranty** on welds.

National Intergovernmental Purchasing Alliance (National IPA) is a cooperative purchasing organization dedicated to serving public agencies and educational institutions nationwide. All cooperative agreements available through the National IPA program have been competitively solicited and publicly awarded by a public agency/governmental entity (e.g. state, city, county, public university or school district), utilizing the best public procurement practices, processes and procedures.
