

SICO® Solid Fuel Portable Food Warmer

Everything needed to cater hot meals to your guests.

Features, Advantages & Benefits

All Riveted Construction - Increased durability since there are no spot welds to break in extreme heat.

Energy Efficient Double-Wall Construction - Keeps the exterior of the food warmer from getting too hot to handle. The units are so well insulated that they may also be used to transport cold food.

Sturdy Handles - Convenient top and side handles make it easy to place the food warmer under your SICO® room service table.

Positive Gravity Lock - Gravity lock keeps the door securely closed, eliminating the possibility of food, or solid fuel spillage.

Exterior Stainless Steel and Interior Aluminum - Reinforced stainless steel construction for maximum durability. Cleans quickly and easily.

Removable Back Panel

- Makes repairs easy and affordable.
- Allows solid fuel unit to be converted to electric version by easily changing the back panel.
- Easily converts to a mobile unit with handle and wheels by changing back panel.

Storage Shelves

- SICO® Food Warmers offer more usable space with three shelves.
- Additional space allows more servings to be carried in each unit.
- Removable shelves inside the food warmer box fit snugly, eliminating rattling.

Serial Numbers - Each food warmer is marked for easy identification.

Warranty – Protected by a **1-Year Warranty** against manufacturer's defects. **Lifetime Warranty** on welds.

Specifications

Model Number	Description	Lbs.**	Kg.	Cu.Ft.	Cu.M.
