

# SICO<sup>®</sup> Sophisticate Plus

Style, mobility, and durability with induction cooking or warming in one upscale table.

## Features, Advantages & Benefits

**Induction Units with Advanced Electronic Temperature Controls** - These warming and cooking units are more energy efficient, cleaner, and cost effective than gas or electric units. Controls are streamlined, attractive and easy-to-use.

### NSF Certified Natural Stone Composite Top

- Completely sealed top surface is durable and easy-to-clean.
- Superior scratch and stain resistant. Cut directly on the table surface.
- Set hot items up to 500° directly on the NSF certified surface material without scalding.
- Exquisite top color choices. An elegant and refined high-end table.
- Durable .25" (.6cm) natural stone composite top made of 95% natural stone and 5% Polymer formed over .75" (2cm) MDF.
- SICO<sup>®</sup> **Armor-Edge**<sup>®</sup> option available for superior edge protection.

**Folding Table Top** - Top folds & nests for efficient storage using up less facility space when not in use. Tabletop remains in the use position until over-center lock is released for folding into storage configuration.

**Table Frame** – Strong 16 gauge tubular frame support provides durability and strength to table.

- **Oval Tubular Understructure** – Adds style and strength to the table.
- **Double Cross Member Construction** - Adds twice the strength & longevity.

**Powder-coat Finish** - Durable understructure with choice of elegant baked-on surface powder-coat colors.

**Pneumatic Dampers** - Makes folding the tabletop quick and easy.

**Mobile Dual-wheel Casters** - Easily roll table into and out of service for any function. Non-marring, 4" (10cm) caster wheels protect floors.

**Free Space Analysis** - Take advantage of the free space analysis drawings which will provide you with the appropriate number of tables and table accessories.

**Warranty** – Protected by a **3-Year Warranty** against manufacturer's defects. **Lifetime Warranty** on welds. Induction units protected by a **1-Year Warranty**.
