

Queue Lines

Designed to Fit.
Built to Last.

SICO® QUALITY

Improve line flow and minimize traffic congestion with SICO® Queue Lines. Available with laminate or metal panels, queuing lines can be set up or converted quickly, highlight entrances or restrict areas.

Functional

Placing these in strategic locations will improve flow, add privacy or restrict areas.

Sturdy

High density materials and exacting craftsmanship means each barrier is fit to withstand the rigors of everyday use.

Customizable

Let us design a panel for you to add school spirit and elevate your experience. Available in metal or laminate.

Queue Line Features

Freestanding Metal Frame

Powder Coat Finish

Metal or Laminate Divider Panel
