

EXCITING **NEW** ADDITION TO TABLE SEATING

The TTX13 Series Bench Table Seating Unit has been designed to offer increased seating solutions with a market competitive price point.

Giving you all the flexibility you need, the TTX13 Series Bench Unit can sit up to 16 primary age children or 12 adults.

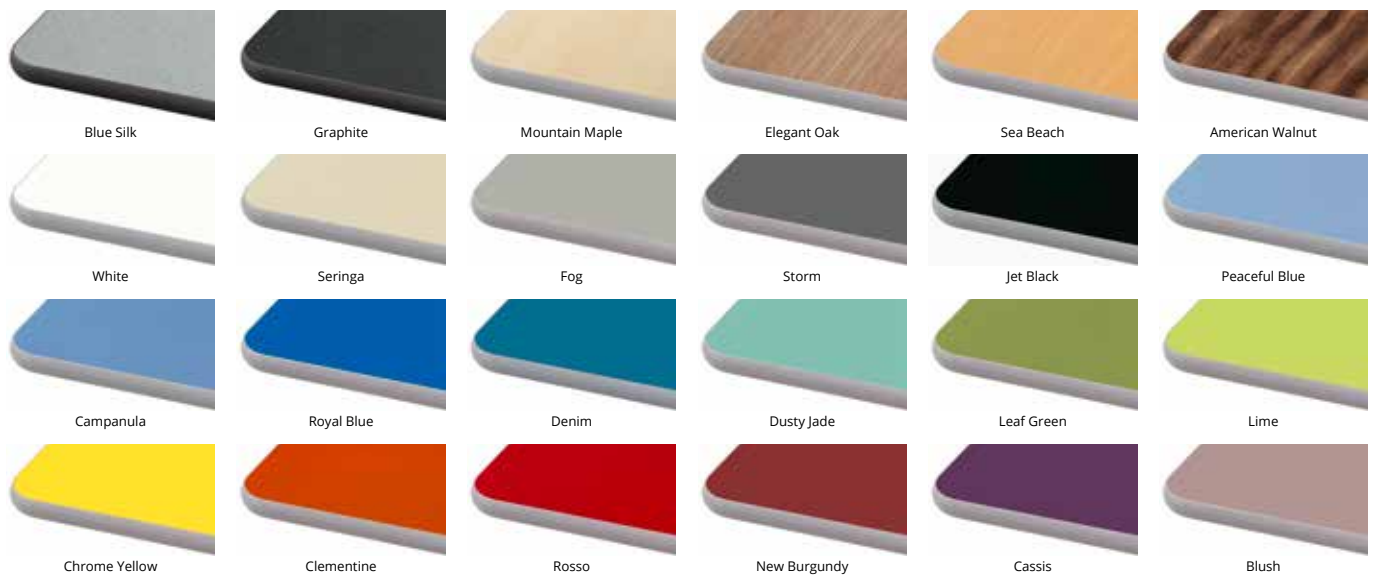

Benefits of TTX13 Table Seating Unit

- Available in 660mm, 710mm or 740mm heights.
- 24 laminate colours to choose from on tops and benches.
- SICO® Armor-Edge® - incredibly hard wearing and hermetically seals the table top against moisture and bacteria.
- Easy wipe clean surface, able to withstand robust cleaning to ensure a safer eating environment.
- Smaller storage footprint compared to other TSU's and competitor products.

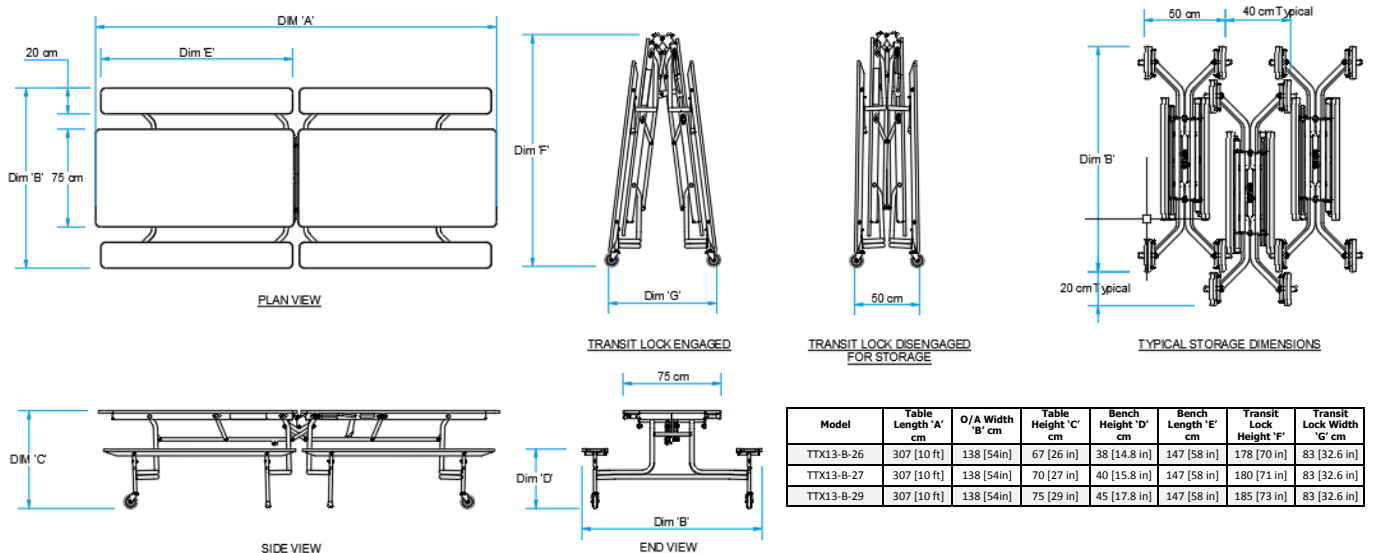

TTX13 SERIES BENCH TABLE SEATING UNIT

Table Laminate Options:

This colour chart is to be used as a guide only. SICO® cannot accept responsibility for variations in colour against the original material. Please refer to actual laminate and stool samples before ordering.
