SICO® QUALITY

Dining spaces are now serving multiple purposes requiring furniture to be flexible and customizable. SICO® Booths are designed to be just that. Choose from 4 types that each have industry leading features. With a seemingly endless variety of materials and configurations, our design team can help you make your space stand out and function flawlessly.

Customizable

Print your logo on the back panel laminate or incorporate your own color scheme to make your space stand out from the rest.

Configurable

The right configurations can ease flow and seat more guests than conventional layouts.

Comfortable

High quality materials and ergonomics make each booth a great place to start a conversation, get work done or dine.

* Standard lengths are listed to match accompanying table lengths. Actual lengths are 2" (3cm) shorter.

ROCHESTER

Just Tilt and Move!

The Rochester booth brings durability and mobility to cafeterias. Perfect for multiuse spaces and easy reconfigurations. Offset wheels create a double booth when Rochester booths are nested back to back. Easy to move and stylish in design, the Rochester booth brings flexibility to a cafeteria without sacrificing the intimacy of booth seating.

Rochester

Booth Types:

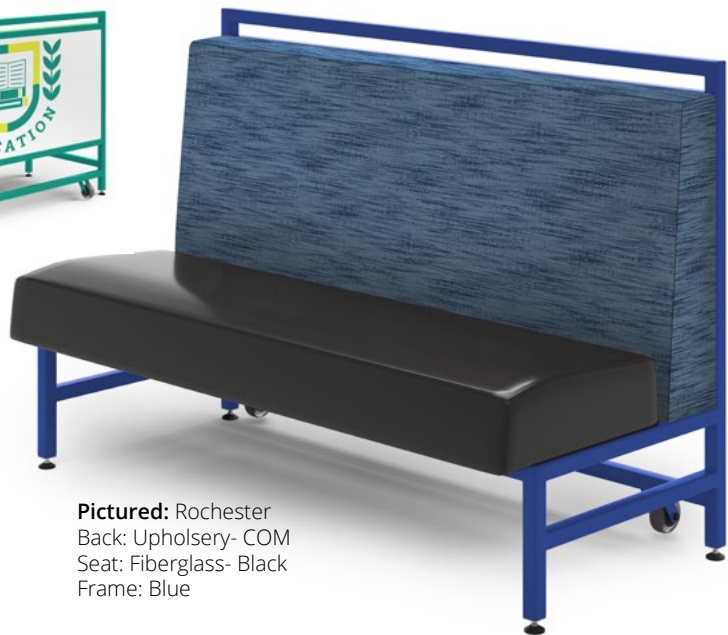

Single with Rolling Casters

Seat & Back Options:

Upholstered or Fiberglass
Laminate Back Panel

Frame Finish Options:

Variety Powder Coat Colors

LEXINGTON

A Mobile Folding Solution

The Lexington mobile folding booth brings the same durability with a 40% reduced storage footprint to your cafeteria. Perfect for multiuse spaces and easy reconfigurations. Four swivel casters add mobility through narrow spaces and doorways.

Lexington

Booth Types:

Single Folding with Swivel Casters

MANKATO

Designed to Provide the Ultimate Design Flexibility

Available in single, double and radius booth options, the Mankato can function as traditional booth seating or incorporate the radius style to provide more intimate group seating. Arrange the Mankato radius as a curved serpentine booth run to add a focal point that students will immediately gravitate to. With choice in back and seat finishes, the Mankato booth is functional and design-friendly.

AUSTIN

Durable & Versatile

The Austin booth features a metal frame that transcends the back pad to provide added durability. The laminate back panel featured on the Austin allows for single booths to be lined up as a long settee and also serves as crowd control, a room divider or a queue line.
