

Before you begin...

Use care when lifting, pushing or pulling these units. Never lift more than you are able to safely handle.

Keep this manual in a safe place for future use.

If you have any problems during setup, contact SICO® Customer Care at 1.800.424.0796.

Installation Instructions

1. Install deck pin adapters as needed in locations shown.
2. Ensure adapters are fully installed by verifying that locking pin is positioned behind node pivot bolt. (Adapter cannot be removed without raising locking pin).
3. **Left** and **Right** adapters are for 2-way bridging. **Center** adapter is for 4-way bridging.
