

# 3-In-1 ConverTable

A Multi-Talented Table  
For Multi-Purpose Rooms.

*Model No. T3C42F76027602BC*

# SICO® QUALITY

*and Patented Design*

Three tables for the price of one! Use as a single unit with bench and table top for testing and seminars. Transform into bench seating for auditorium use. Link units together for cafeteria seating. Maximize the use of your space with the table that does it all.

## Lecture

Use as a single unit (bench and table top) for testing, classroom, meeting & seminar applications.

## Cafeteria

Link units together for use as a cafeteria, study group, or social-seating table.

## Auditorium

Transform unit into bench seating mode, perfect for auditorium and lecture use.

## 3-in-1 Features

High-Pressure Laminate

SICO® Armor-Edge

Solid MDF Core

Tamper Proof Expansion Rivets

Aircraft Lock-Nuts

Rigid High Performance Poly Backer

Neoprene Leg Caps

Powder Coat Leg Finish

Oval Tube Caster Beam

3" (7.6cm) Color Thread Guard Caster

## Table Top

**MDF Core Table Top:** Made with extremely durable 3/4" (19mm) MDF manufactured using 100% fresh pine fiber. Stronger than plywood or particleboard and resists warping.

**High-Pressure Laminate:** Tough .040" (1mm) thickness high-pressure laminate for added durability and long-term wear. Nearly 200 standard colors and patterns are available to fit any decor.

**Rigid High Performance Poly Backer:** Far superior to all types of paper backers. Backer is applied to the underside of the table tops for moisture control, stain resistance and easy cleanup, including gum removal.

**SICO® Armor-Edge®:** The most durable edge available. Provides an incredibly tough edge to take hard everyday use without damage. Hermetically seals the tabletop for sanitary purposes and prevents moisture from entering table top core. Now available in 12 standard colors.

**Auto-Locking Top:** Easy folding top stays locked when folded out during use.

**Tamper Proof Expansion Rivets:** Fastens tabletop firmly to the frame.

**Table Top Frame:** Fully unitized 14 gauge top frame provides a strong and durable table.

**Unit-To-Unit Connectors:** Optional easy to operate unit-to-unit connectors connect multiple tables securely together.

## FEATURES & BENEFITS

### Leg System

**Aircraft Lock-Nuts:** Tamper-resistant lock-nuts are used at all pivot points and won't loosen over time.

**16 Gauge Oval Tube Construction:** Creates an enhanced look with increased strength.

**Powder Coat Finish:** Finished for superior durability, colorful appearance, and ease of cleaning.

**Neoprene Leg Caps:** Non-marring contact with floor keeps table in place and prevents floor damage. Reinforced leg caps contain metal washers to prevent leg tubes from breaking through the bottom.

**Leg Support:** Automatically extends the table legs to the floor as the top is folded flat. (For added stability)

**Bench Pivot Legs:** Heavy duty bench pivot legs are 1.25" (3.18cm) diameter and 14 gauge steel. Simplified design adds strength and durability.

### Transport & Storage

**Caster:** 3" (7.6cm) casters with a wide surface area for smoother rolling. Plastic thread guards prevent the accumulation of debris keeping wheel rotating freely.

**Front Mounted Wheel Locks:** Keeps table in place. 3" (7.6cm) swivel casters allow one person to easily roll table into use or storage.

**Compact Storage:** Tables fold & tightly nest together.

### Limited Lifetime Warranty

Limited Lifetime Warranty on table system. Visit [www.sicoinc.com](http://www.sicoinc.com) for warranty details.

**Serial Number:** Tables are permanently marked for easy identification.

### Caster Beam

**50% Shorter\*:** Reduced size and one-of-a-kind frame design allows more tables in a smaller space and easier access in and out of aisles.

**Tamper Proof End Caps:** Secured with a unique stem and nut system, ensuring that they will not loosen.

### Space Design

# OPTIONS

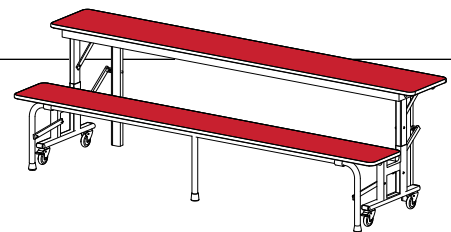

## *Choose Size*

Choose from 6' (183cm), 7' (214cm) or 8' (244cm) table options. All tables have the same width top and benches. Also choose from 30" (ADA), 29" or 27" high tables.

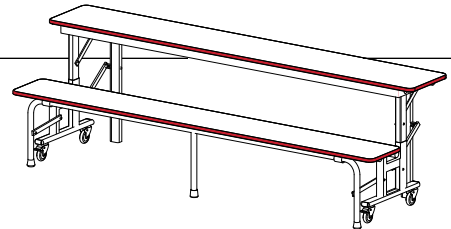

## *Choose Top & Bench Laminates*

Choose from nearly 200 standard high pressure laminates for a custom look. Visit [www.sicoinc.com](http://www.sicoinc.com) for a complete list of standard options that are sure to complement your space.

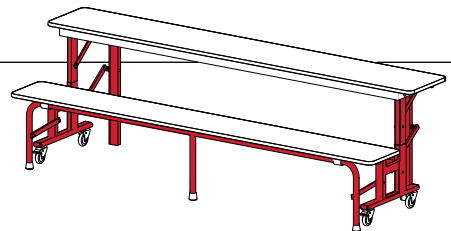

## *Choose Top & Bench Armor-Edge® Colors*

The most durable edge available now comes in a wide variety of colors. Customize the look of your space and choose colors to match or accent table top and bench laminates.

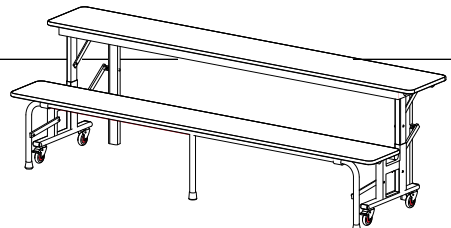

## *Choose Leg Color*

We have added copper and silver powder coat to team up with the existing black for our table leg color options. All colors are highly durable powder coat with a slightly textured finish.

## *Choose Caster Thread Guard Colors*

The robust caster design features a plastic thread guard that does not move when the wheel spins preventing accumulation of debris in the bearing. The thread guard is available in color options to match or accent Armor-Edge® colors.
