

Booths

Features

Dining spaces are now serving multiple purposes requiring furniture to be flexible and customizable. SICO® Booths are designed to be just that. Choose from 4 types that each have industry leading features. With a seemingly endless variety of materials and configurations, our design team can help you make your space stand out and function flawlessly.

Customize booths by printing your logo on the back panel laminate or incorporate your own color scheme to make your space stand out from the rest. High quality materials and ergonomics ensures each booth is a great place to start a conversation, get work done or dine.
