

Catering Table

Features

A SICO® catering table allows a beautifully presented service to be completely set up in the kitchen, then rolled into use by just one person. Whether you use them for portable bars, registration desks, or buffet set-ups, take advantage of their underneath storage racks for holding extra glasses, cups, food warmers, ice buckets, or other supplies.

Choose from a wide range of laminates, Armor-Edge® colors and powder coat colors. Make this table pop within your space.
