

Communicator Table

Features

Now with an UltraLight MDF table top core, HSLA legs, two stool shapes, colors options and the EXCLUSIVE SICO® Strut™ lift assist, each element of the Communicator table works in harmony to create the best table on the market. The aptly named Communicator table allows for easy eye contact, promoting conversation and creativity. Never worry about lifting a heavy table again. Ever. Guaranteed.

The SICO® Communicator cafeteria table features an attractive design and rugged construction that will stand up to the hard use of school food service settings. Its top easily fits 12 standard-sized lunch trays, increasing seating capacity by 25%-40% versus using separate tables and chairs.
