INNOVATION --- TIME

Since 1951, our mission has gone beyond creating innovative furniture solutions. Driven by insight, every SICO® product is engineered with innovation and built to last. We're dedicated to crafting advanced furniture solutions that create inviting, inclusive environments while fostering engagement and building community. SICO® solutions are flexible and versatile, transforming educational spaces into dynamic environments while maximizing every square inch.

No one has delivered Innovation over Time like SICO®.

We are the Leaders in the Education Space

Today's cafeterias & commons environments are used for more than food service. When properly designed, cafeterias also serve as fully functional and flexible multi-use setting that can be used throughout the day for dining, learning, and socializing. As your go-to source for premier quality furniture solutions, SICO® will help maximize every square inch.

Space Design: Bringing Ideas to Life and Transforming Visions into Reality

Every space tells a story - and at SICO®, we understand the power of transformation to enhance learning and living. Leveraging years of industry expertise and a keen understanding of spatial dynamics, our Space Design team partners with clients to breathe life into every corner. Ordinary spaces are transformed into captivating multi-purpose environments.

Designed for Busy Cafeterias and Built for Comfort

SICO® cafeteria tables are renowned for their unmatched durability and a wide range of design options, including the ability to personalize with themed graphics featuring school logos and colors. Explore our full line of products and learn more at sicoinc.com.
