FEATURES & BENEFITS

Table Top

Wood Option: Beautiful Red Oak or Maple veneers on a solid MDF core. Choose from 12 stain options that are designed for both beauty and commercial durability.

Laminate Option: Tough .04" (.10cm) thickness high-pressure laminate for added durability and long-term wear. Solid MDF core. A variety of laminate patterns to complement any decor.

Granite Composite Option: An engineered product manufactured using a mix of granite stone dust and acrylic resins molded to form. Highly durable in a variety of beautiful patterns.

Quartz Option: Stain resistant, scratch resistant, high strength and NSF/Greenguard compliant makes high-quality quartz one of the hottest surface options available on the market today.

SICO® Armor-Edge® Option: (*Laminate & granite composite tops only*) The most durable edge available. Designed to take hard everyday use without damage.

Glass Overlay Option: (*Wood tops only*) High clarity glass overlay can be added to the tops of wood table to add surface hardness and cleanability while maintaining the natural look.

Transport & Storage

Standard 2" (5cm) Low Profile Casters: Hide the casters under the leg for a clean look while maintaining functional transport.

4" (10cm) Caster Option: Larger rubber casters make rolling over cobblestone or uneven terrain smoother and quieter.

Nesting Storage: Nest up to 3 tables into one another to save storage space and create functional styling.

Legs

14 Gauge Steel Tubing: Each leg is constructed from rectangular steel tube, welded in the corners for superior strength.

Cross Bracing: To create an extremely rigid base that can withstand everyday use.

Finishes: Choose from black, silver or copper powder coat, or chrome plated finish to accent your table.

Mix & Match: Use multiple finishes to accent your decor and to stand out from the crowd.

Configurations

Use your creativity to set up these tables in a way to best suit your event needs. Common configurations include:

- Buffet
- Reception
- Pre-Function
- Ambient
- Display

Storage: Nest up to three tables together to save space. Store them in plain sight to enhance your facility's decor or store them away to maximize usable space.

Limited Lifetime Warranty

Protected by a 1-year warranty against manufacturer's defects. Lifetime warranty on welds. Visit www.sicoinc.com for warranty details.

Serial Number: Tables are permanently marked for easy identification.

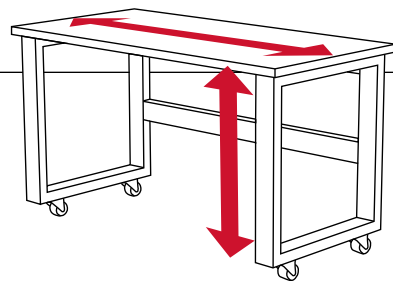

Space Design

Take advantage of our FREE space design service to determine the optimal layout and number of products for your space.

OPTIONS

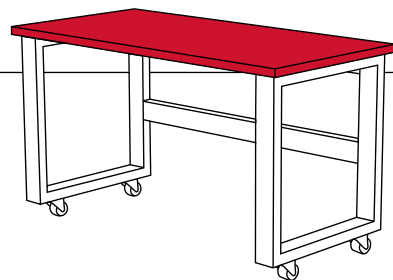

Choose Size

Choose from three sizes to optimize your creativity and storage space. Tables are available as single units or sold in sets of two or three.

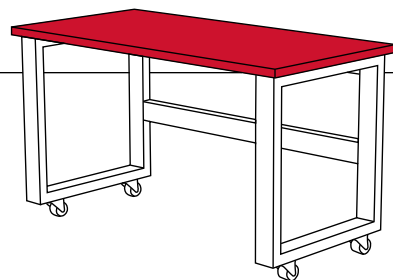

Choose Top Material

Five different top options to enhance the decor of your facility. Select an option that fits our needs from a durable Laminate, the natural beauty of wood, or the upscale look of quartz.

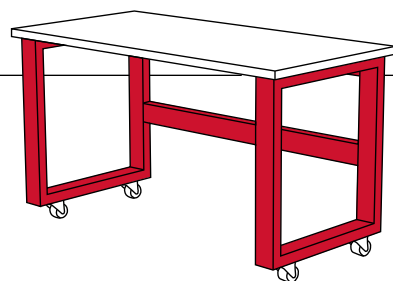

Choose Surface Pattern

Choose from a nearly endless collection of surface patterns and finishes. Each top material is accompanied by its own set of patterns that are as unique as your space. Visit www.sicoinc.com for a full list of these patterns.

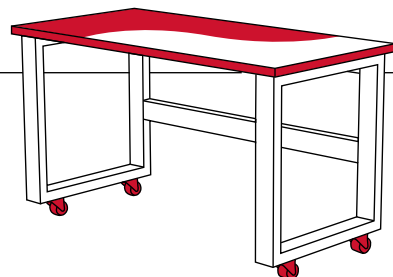

Choose Leg Finish

Choose from four distinct leg finishes. Choose the high finish of polished chrome or the durable beauty of powder coat. Mix and match these within table sets to set your brand apart. Custom leg finishes also available.

Choose Special Options

Choose to add any of these special options to the functionality of your table. With your choice of surface protection and/or larger casters and Armor-Edge® selecting a table that fits your space has never been so easy.
