

Room Service Table

Features

A Room Service Table Designed to Deliver a Premier Dining Experience. A smartly designed and smooth-rolling room service table from SICO® offers user-friendly ease for staff and guests alike — from your first-floor kitchen to your top-floor suites. A SICO® Room Service table moves subtly, smoothly and quietly and optional unit-to-unit connectors also allow one person to pick up or deliver a train of multiple tables.

Our oval-shaped, right-sized tables won't crowd your guest rooms, and make it easier for guests to reach everything on the table. Plus, our unique center-leg design gives diners extra legroom, and the storage racks flip up to allow unobstructed seating — enhancing conversation and optimizing the guest experience.
