

TechLite™ Portable Stage and Riser System*

Features

Whether your space is large or small, you can mix and match to create the ideal personalized stage and riser system. Adjustable or fixed heights, Riga Heksa Plus decking or carpet, water resistant materials and sealing, along with your choice of stage accessories, makes the TechLite™ Stage & Riser System the most versatile on the market.

Create multiple configurations that optimize your guest experience and streamline your event staff operations. This stage is designed to be handled and set up by just one person, minimizing labor and cost year over year. The Power Lock™* system firmly locks stage legs in place and is proven to be durable for years of everyday use. Simply pull the locking tab to release or lock the fastener quickly.
