# FEATURES & BENEFITS

## Table Top

**Wood Veneer Option:** Beautiful Red Oak or Maple veneers on a solid MDF core. Choose from 12 stain options that are designed for both beauty and commercial durability.

**Laminate Option:** Tough .04" (.10cm) thickness high-pressure laminate for added durability and long-term wear. Solid MDF core. A variety of laminate patterns to complement any decor.

**Quartz Option:** Stain resistant, scratch resistant, high strength and NSF/Greenguard compliant makes high-quality quartz one of the hottest surface options available on the market today.

**Glass Overlay Option:** (*Wood tops only*) High clarity glass overlay can be added to the tops of wood table to add surface hardness and cleanability while maintaining the natural look.

## Legs

**Wood Veneer:** Red Oak or Maple veneer to match the table top, on a solid MDF core.

**MDF Core:** Adds long term strength while keeping the weight minimal.

**Cross Bracing:** To create an extremely rigid base that can withstand everyday use.

**Mix & Match:** Use multiple finishes to accent your decor and to stand out from the crowd.

## Transport & Storage

**Standard 2" (5cm) Low Profile Casters:** Hide the casters under the leg for a clean look while maintaining functional transport.

**4" Caster Option:** Larger rubber casters make rolling over cobblestone or uneven terrain smoother and quieter.

**Nesting Storage:** Nest up to 3 tables into one another to save storage space and create functional styling.

## Limited Lifetime Warranty

Protected by a 1-year warranty against manufacturer's defects. Visit [www.sicoinc.com](http://www.sicoinc.com) for warranty details.

**Serial Number:** Tables are permanently marked for easy identification.

## Configurations

Use your creativity to set up these tables in a way to best suit your event needs. Common configurations include:

- Buffet
- Reception
- Pre-Function
- Ambient

**Storage:** Nest up to three tables together to save space. Store them in plain sight to enhance your facility's decor or store them away to maximize usable space.

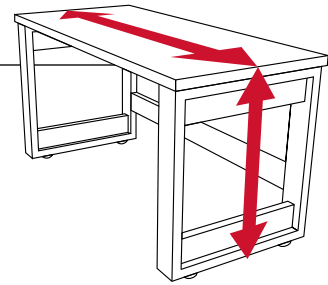

## Space Design

Take advantage of our **FREE** space design service to determine the optimal layout and number of products for your space.

# OPTIONS

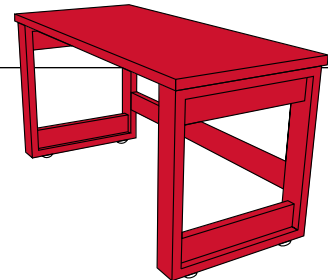

## *Choose Size*

Choose from three sizes to optimize your creativity and storage space. Tables are available as single units or sold in sets of two or three.

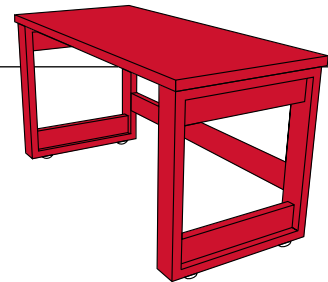

## *Choose Wood Species*

Choose from beautiful Red Oak or Maple veneers on a solid MDF core. Designed for both beauty and commercial durability, each wood type carries the same weight, strength, and function. Feel free to choose based on your desired style.

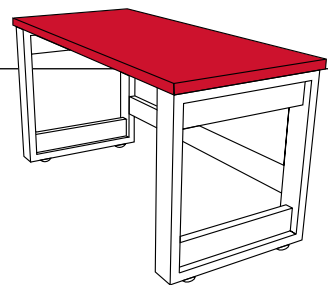

## *Choose Wood Stain*

Choose from 12 distinct leg stains on 2 types of wood. Stain offers a satin finish look and feel with a durable long lasting color that will stand the test of time. Mix and match these within table sets to set your brand apart. Custom stain finishes also available.

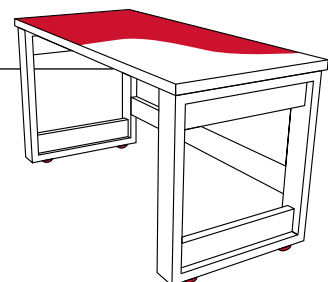

## *Choose Alternate Top & Pattern*

Four different top options to enhance the decor of your facility. Select an option that fits our needs from a durable Laminate, or the upscale look of quartz. Also choose to stay with the natural beauty of wood to match or contrast your chosen wood legs.

## *Choose Special Options*

Choose to add any of these special options to the functionality of your table. With your choice of surface protection and/or larger casters, selecting a table that fits your space has never been so easy.

A photograph of three nesting tables in a gallery setting. The tables are arranged in a row, with the largest table in the foreground and two smaller ones nested behind it. They have a white top and a dark wood base. In the background, three large abstract paintings are displayed on the wall, each with a different color palette: dark grey/black, light beige, and light grey. The floor is made of large, reddish-brown tiles. A red banner with the word 'STORAGE' is overlaid on the top right of the image.
