PAST & FUTURE

The Trusted Go-To Company

Since 1951, our mission has gone beyond creating innovative furniture solutions. At SICO®, we design with insight, engineering every product to deliver long-term performance and timeless appeal. Our advanced equipment and furniture solutions are made to welcome, connect, and inspire, transforming stadiums, arenas, convention centers, and entertainment venues into memorable guest experiences. Flexible and durable, SICO® products help maximize space, support seamless setup and execution, and elevate the atmosphere of any venue. No one has delivered Innovation over Time like SICO®.

We are the leaders in the event spaces.

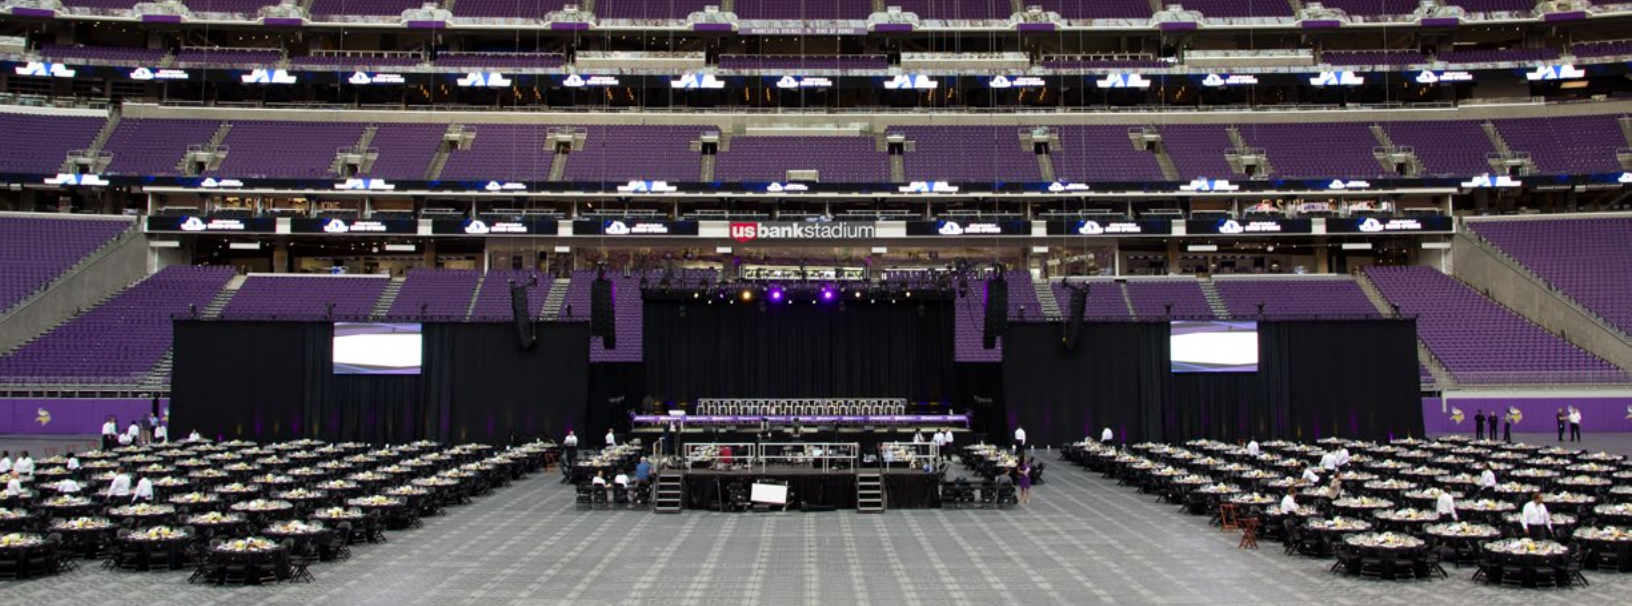

At SICO®, we understand that in the convention centers, stadium, and arenas industry, every detail matters, from the guest experience to staff efficiency. That's why we design and build equipment and furniture solutions that deliver unmatched quality, versatility, and aesthetic to every corner of your property. With a focus on flexibility, ease of use, and timeless design, we help venues create memorable moments, whether guests are gathering, dining, or celebrating. Engineered for both elegance and efficiency, our furnishings are built to last, easy to maneuver, and seamlessly integrate into any environment.

Bringing Ideas to Life and Transforming Visions into Reality

Every space tells a story - and at SICO®, we understand the power of transformation. Leveraging years of industry expertise and a keen understanding of spatial dynamics, our Space Design team partners with clients to breathe life into every corner. Ordinary spaces are transformed into captivating multi-purpose environments.

Smart Staging for Seamless Events

When your venue demands reliable performance and elevated presentation, it has to be SICO®. Our full line of portable staging solutions and accessories delivers solid support and sleek style for any function. Designed for large performances in convention centers and arenas or for a presentation in a small event center. SICO® stages set up easily, store efficiently, and move effortlessly, helping your team create memorable experiences with less hassle.

Staging That Adapts

Our mobile staging systems offer adjustable heights, one-person setup, and compact storage to save time and labor. Switch between flat or tiered layouts in 6" or 8" increments and choose reversible deck surfaces without dismantling your setup. Fewer, larger decks mean faster setups and easier storage—perfect for any occasion, every time.
