FEATURES & BENEFITS

Table Top

Core Plywood Table Top:

Seamless, one-piece 5/8" (1.6cm) 9 ply plywood core with a sealed veneer surface and Armor-Edge®. Fastened by screws for ease of maintenance and serviceability.

High-Pressure Laminate Surface

Option: Tough .04" (.10cm) thickness high-pressure laminate for added durability and long-term wear. A variety of laminate finishes to complement any decor.

SICO® Armor-Edge®: The most durable edge available. Proven track record for long term durability. Provides an incredibly tough edge to take hard everyday use without damage. Hermetically seals the tabletop for sanitary purposes and prevents moisture from entering table top core.
