SICO® QUALITY

The MultiApp IIS table combines functionality, versatility and style. The table is designed for dual-sided seating and provides a collaborative, social area for gathering. One person can easily set up or reconfigure any space effortlessly. Storage is optimized as units nest together, requiring less space.

Dual-Sided Functionality

Sit or stand around both sides of the table to maximize communication. Obstruction free frame & leg design allows for leg room on either side.

Customizable

Choose from a wide range of laminates, Armor-Edge® colors and powder coat colors. Make this table pop within your space.

Nesting Storage

Once the top is flipped up, the legs easily nest within each other to save big on storage space while also displaying your own logo or laminate.

Table Top

MDF Core Table Top: Made with extremely durable 3/4" (19mm) MDF manufactured using 100% fresh pine fiber. Stronger than plywood or particleboard and resists warping.

High-Pressure Laminate: Tough .040" (1mm) thickness high-pressure laminate for added durability and long-term wear. Nearly 200 standard colors and patterns are available to fit any decor.

Rigid High Performance Poly Backer: Far superior to all types of paper backers. Backer is applied to the underside of the table tops for moisture control, stain resistance and easy cleanup, including gum removal.

SICO® Armor-Edge®: The most durable edge available. Provides an incredibly tough edge to take hard everyday use without damage. Hermetically seals the tabletop for sanitary purposes and prevents moisture from entering table top core. Now available in 12 standard colors.

Tamper Proof Expansion Rivets: Fastens tabletop firmly to the frame.

Tamper Resistant Lock: Used for locking the table into a fixed use position. Secured by tamper proof Allen wrench/hex screw system.

Unit-To-Unit Connectors: Optional easy to operate unit-to-unit connectors connect multiple tables securely together. (Rectangle tables only)

Leg System

Obstruction Free Frame & Leg Design: No leg obstructions under table. Understructure frame allows for comfortable leg-room seating on both sides of the table.

Aircraft Lock-Nuts: Tamper-resistant lock-nuts are used at all pivot points and won't loosen over time.

Powder Coat Finish: Finished for superior durability, colorful appearance, and ease of cleaning. Available in three standard colors.

Pneumatic Damper: Makes folding the tabletop quick, quiet and easy.

Auto-Stop Top: Easy folding top stays folded out during use.

Transport & Storage

Caster: 3" (7.6cm) dual wheel swivel casters. One person can easily roll and maneuver tables into service or storage. Two rugged locking casters stabilize table. (Four locking casters on Bistro Height)

Compact Storage: Tables fold & tightly nest together to roll and store in a tight footprint.

Limited Lifetime Warranty
