MEETING & BANQUET TABLES

Nesting Storage

Your hard-working staff will appreciate how our MultiApp tables fold and nest together effortlessly and can be stored away in a remarkably small space.

MultiApp

With the mobile, versatile MultiApp table, you can be meeting-ready in seconds. It requires no caddy so it can be rolled into action by just one person. Choose from a variety of trending laminate colours to match your décor – each with our rugged Armor-Edge® edging. Also available with data ports.

MultiApp IIS

With its clean, classic colours and lines, this table makes a statement. Featuring dual-sided seating and ample leg room, the MultiApp IIS lives up to its name as a multi-purpose table. Use as a conference, catering, or banqueting table. The applications are limitless. Durable swivel casters make mobility easy.

MEETING & BANQUET TABLES

Nesting Storage

Our Pacer tables are just as impressive in storage as they are in service. When not in use, they fold easily for compact, upright placement in even tight areas. Another space challenge solved!

*Pacer*

With the Pacer's smart design and variety of shapes you can fit more tables into one space and increase your seating capacity by up to 32%. Plus, its stylish, yet rugged, frame can be folded and rolled effortlessly into storage – by just one staff member. That's SICO® simplicity.

*Pacer II*

The Pacer II takes the Pacer's durable design and style to the next level. With its seamless tabletop, reinforced with SICO® Armor-Edge® edging, and attractive colours and shape options, the ultra-mobile Pacer II empowers you to quickly transform any area into a productive meeting space.

MEETING & BANQUET TABLES

Compact Storage

We apply as much engineering innovation to product storage as we do product performance. For example, our spacious conference tables fold down quickly into a tight vertical formation and can be rolled away in seconds, by just one person. It doesn't get much easier than that.

Conference Table

With its upscale boat-shaped look and compelling contours, this table will enhance your reputation as a premier meeting venue. It combines the beauty of a traditional conference table with our legendary durability and easy fold-and-roll design. It even features an optional built-in data port and outlet to power winning presentations.

IN-ROOM DINING

Nesting Storage

Optimising your storage room is a breeze with our room service tables. They fold easily and roll together into a tight vertical nesting alignment. And there's no lifting needed!

Rigid-Frame Bi-Fold

Our Rigid-Frame Bi-Fold table offers a smart balance of everyday toughness and an aesthetically pleasing design. With a 16-gauge steel frame and a sleek and spacious rectangular tabletop, it has the strength and style to get the job done right. Leaves fold down for transport and storage, however the table top does not flip.

Tri-Fold

Exclusive SICO® design, the Tri-Fold is the only table available where the leaves lock in an upright position for transport. This feature, available on both the oval and square top, greatly reduces spillage and breakage. The top easily tilts to a vertical position for storage.

Uni-Fold

Our Uni-Fold table is ideal for single or double-serve situations and smaller plate presentations. Like all SICO® tables, it's designed for smooth, quiet rolling on any surface, so dishes won't rattle or tip and your staff won't disturb guests. The perfect combination of performance and style.

Bi-Fold

The Bi-Fold table is available with an oval or square top. Leaves fold down for transport, then fold out for service. A durable and rugged table for operation, this premier in-room dining table will allow you to create a premier in-room dining experience for your guests.

IN-ROOM DINING

Food Warmer Transport

Place a food warmer on the rack below a room service table and deliver your guest's in-room dining cuisine at just the right temperature.

Unit-to-Unit Rack Connection

Connect the lower racks of room service tables to allow for one in-room dining attendant to deliver and pick up a train of multiple tables. Easy for your staff and efficient for your bottom line.

Larger Casters (Optional)

Choose a larger 5" resort caster for easy rolling over rough terrain. Constructed for durability and easy cleaning. One person can easily roll and maneuver tables.

Table Guide (Optional)

Ask for our optional Table Guide to make navigating hallways and elevators easier for your team.

IN-ROOM DINING

Active Storage

Store, heat and transport up to six food warmers with this convenient caddy that includes swivel casters and a master power unit into which you can plug your warmers. It makes kitchen prep easier and meal delivery a snap!

Food Warmer Racks

Free up floor space with our efficient food warmer storage racks. Available in single-rack (holds nine warmers) or double-rack (holds 18 warmers). These innovative gravity-fed systems will ensure your warmers are ready for use with every guest order.

Telescopic Handle & Wheels (Optional)

After delivering an impressive culinary experience on a room service table, a telescopic handle and wheels added to the warmer makes it easy to transport the food warmer back to kitchen.

Food Warmers

Give your guests your best by choosing SICO® as your source for quality food warmers – in electric or solid fuel options. Crafted with stainless steel and aluminum exteriors, these units have built-in thermostats to maintain ideal temperatures. Plus, they stack and store easily and shelves remove in a snap for streamlined cleaning and maintenance.

STAGE SOLUTIONS

When you're looking for dependable performance, it has to be SICO®. We're proud to carry a complete line of innovative portable staging solutions and accessories that bring solid support and impeccable style to any event. Set-up is simple. Take-down is easy. And our variety of mobile solutions make transport and storage stress-free.

Meeting & Banquet Stages

In hospitality, every day brings a new event and a different presentation need – from small-group sessions to posh galas, some planned for and some not. Stay prepared for whatever the day throws your way with our reliable Meeting & Banquet Stages, with the portability, mobility and easy set-up that'll keep you ready for any event.

Performance Stages

Performers have enjoyed SICO® mobile and portable stages for generations, but your staff will believe our stages are the true stars of the show.

When your event requires an elevated platform for small regional or large national events, SICO's performance stages are a must. Designed to be easy to operate with minimal storage, SICO's performance stages provide an exceptional value for any venue.

Accessories

Our ramps, steps, drapes, backdrops and other accessories will add crucial functionality and safety as well as a touch of style to your stage performances. With SICO®, every detail is covered so every event you host can be spectacular.

MEETING & BANQUET STAGES

Caster Transport

With SICO's mobile stage and risers systems, storage is a snap. Our units can be rolled away in minutes, freeing up your staff to focus on other important tasks.

2000 Series

The dual-height and single height 2000 series offers all the advantages of a mobile folding stage, plus the added simplicity and speed of built-in height adjustability. A single person operation means rooms can be turned quickly, with minimal labour. This saves of both money and time for any operation.

Tri-Height

Our Tri-Height mobile stage is available with three variable height adjustments and reversible decks, making for a versatile system. Designed for maximum set-up flexibility. The Tri-Height can be used as a head table riser, speaker platform, or runway. The possibilities are endless. Single person operation means rooms can be turned quickly, with minimal labour.

MEETING & BANQUET STAGES

Storage Caddies

With SICO® stages and risers, storage is no sweat. Our solutions fold and fit easily into our storage caddies and can be rolled away in minutes, freeing up your staff to focus on other important tasks.

X-Press

The SICO® X-Press Stage and Riser is designed with a sturdy build, in a lightweight frame, so it can be easily transported from one application to another. It sets up in a snap, by simply unfolding the frame and laying the deck into place. Choose from multiple deck surfaces, including our innovative Tuff Deck or carpet.

Variable Terrain

A smart, dual-use product that maximises space and productivity, our Variable Terrain solution can be set up as a performance stage or tiered risers for seated riser, choral or instrumental performances – indoors or out. You'll get multiple height options and stage units that can be locked together at the same height or in tiered set-ups, for strength and stability across every configuration.

*TechLite™**

TechLite™ makes it easy to tailor a stage and riser system to fit small or large spaces – and without the need for tools. With adjustable and fixed heights, optional anti-slip Riga Heksa Plus Decking or carpet, our Power Lock™ leg-fastening system and more, the TechLite™ is a versatile performer you can count on.

**Patent Pending*

PERFORMANCE STAGES

Efficient Storage

SICO® innovation extends beyond the stage, to include storage solutions, too. All of our performance stages are designed for secure, compact, low-stress storage. Because a great stage shouldn't have to take up a great amount of space.

*Venue Maker Pro™**

This is staging innovation from top to bottom. The Venue Maker Pro™* (VMP) includes features no one else offers: top-deck leveling, v-shape frame design for easy under stage access and the smallest storage footprint of any stage in its class. SICO® does it again!

**Patent Pending*

STAGE ACCESSORIES

ADA Ramps

Our ADA-compliant ramps are made up of modular, mobile folding units that set up quickly and easily, and are adaptable to each of our various stages. All ramps are carpeted, include side guardrails and designed with a gradual incline of 1" per foot (2.54 cm/m) – for smooth, confident stage entrances and exits.

Articulating Steps

Articulating steps can be raised and lowered to enable use with a wide variety of stage heights. Steps attach to the top of a stage deck which provide support for the steps. Available in carpet or black vinyl on the tread.

Modular Steps

Modular steps are fixed steps that are easy to operate and have a smaller storage footprint than articulating steps. Add additional step platforms to create the necessary height. Each platform rolls and locks into place with ease so performers can enter and exit the stage gracefully.

Drapes

SICO® Drapes add a first-class finishing touch to your staging, secured by continuous hook and loop fastener strips that make it extra-easy to attach the skirting. Our draperies are made of attractive, flame-retardant fabric that retains its beauty over years of use.

STAGE ACCESSORIES

Crowd Control Barriers

Crowd control barriers can help you keep order when and where you need it.

Enclosure Panels

Use enclosure panels to create a finished look to a stage while adding safety for your performers.

Guardrails & Covers

Safety is always your first priority and SICO® is here to help. Guardrails must be used with all of our stages and risers and we have options to fit all of our systems. We even include rail covers in multiple colour selections to fit your staging décor.

Chair & Table Stops

These rugged stops help optimise safety by ensuring tables and chairs won't slide off the stage. Made from steel bars and available in multiple lengths, they attach quickly and rest one-half inch above the surface of the stage deck.

Backdrops

Our solid backdrops create a professional look and help focus the audience's attention on the performers, not on what's happening backstage.

DANCE FLOOR SOLUTIONS

SICO® invented the first professional portable dance floor in 1964 and continues to stay a step ahead of the competition. In fact, more dance moves and more dance memories have been created on SICO® floors than any other brand! When you want to give your guests the best, it has to be SICO®.

Laminate

Available in a wide variety of stylish laminates, our Cam-Lam* or Starlight II*solutions for indoor-outdoor use, offer versatility so you can create a first-class dance environment for your guests virtually anywhere. They're maintenance-free and resist chipping, scratching and fading – protecting your flooring investment. Plus, they feature our positive Cam-Lock system for easy alignment and simple set-up and take-down.

**Patented*

Wood Parquet

For guests who still require the beauty of real wood, our Original and Cam-Lock portable dance floor products are the right choice. They set the industry standard decades ago and still continue to be a popular option today. From their traditional, eye-catching parquet panels to their gold, silver or black Visi-Trim edges and simple set-up, these products are thoughtfully designed for your guests and your staff.

LAMINATE DANCE FLOORS

Storage Caddies

Save on take-down time and avoid hassles with our smooth-rolling storage caddies. Cleverly designed with separate spaces to hold dozens of panels as well as trim pieces, SICO's storage caddies make it easy to secure, store and safeguard your floor until the next big event.

*Cam-Lam**

Available in a variety of laminate designs from a wood plank look to a modern or rustic finish. SICO's Cam-Lam dance floor delivers a maintenance-free finish that resists scratching and fading. And it features our positive Cam-Lock system for automatic panel alignment and a fast, secure fit – making set-up simple!

**Patented*

*Starlight II**

With the rugged Starlight II, the sky's the limit. This safe, secure portable dance floor is built to withstand the rigors of outdoor use. It combines a high-pressure laminate surface with a high-density fiberglass reinforced foam inner core, positioned between sheets of sturdy aluminum. And our Cam-Lock positive locking system streamlines set-up and take-down.

**Patented*

PARQUET DANCE FLOORS

Storage Caddies

The heavy-duty caddies for our dance floor panels ensure stress-free storage. With their spacious frames and separate compartments to hold deck and trim pieces, you'll roll away the floor with ease and confidence.

Original
