

Buffet Tables (Nesting) “Multi-Purpose”

Our designers put simplicity & practicality into this design, and with the material chosen it is the perfect match for the EVO & Multi-Flex buffet stations, and also looks great by its own.

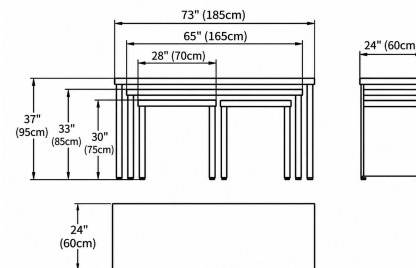

Tops:

All options are neatly set into the frame, they are easy to be interchanged, hence you could order various top panels to change the buffet table style to match your event or the mood of the day.

Tempered Glass Tops – Frosted, clear or tinted

Laminate Tops – Endless patterns & colors available

Designer Tops – Exciting prints & designs to choose from

Buffet Tables Add-on

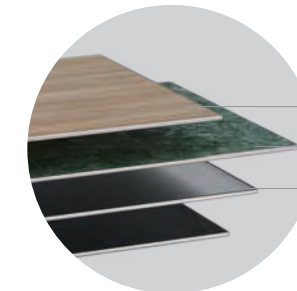

Storage space saving – As they are designed to stay in your foyer or lobby; when not in use for events they make great displays.

Table Leg Options

Powder Epoxy Coat
S/S in Hair-Line Finish
Wood Grain Paint Look

Table Top Options

Laminated Wood Boards
Designer Glass
Clear or Frosted Glass

Mobility

This tables can be fitted with optional casters. One set fits nicely on the designated transport trolley.

Table with Casters

Imported deluxe casters not only make it easy and quietly to move, but also give it an elegant look.

Transport Trolley

- Easy to load and unload
- One complete set can be moved at the same time
- Non-marking solid casters
- Fast & efficient method to relocate your tables

Frame / Understructure

Our high quality stainless steel structure are available in brushed, electric paint, wood grain and powder coat (steel structure) finish

Nested design saves storage space
And is convenient to transport

Advantages of Nesting Tables;

Waterfall design gives you a lot
of different setup possibilities

Transport Trolley
