From Our Facility to Yours

Since 1951, SICO® has designed furniture with lasting performance and timeless appeal. Our flexible, durable solutions maximize space, simplify setup, and transform event spaces, banquet halls, and meeting rooms into seamless, memorable experiences that welcome and inspire.

Our commitment to quality, durability, and superior customer service has made us the trusted partner for top hotels and venues worldwide.

Global Leader in Hospitality

SICO® stands at the forefront of the hospitality industry, recognised globally for its innovative and comprehensive solutions. Engineered for both elegance and efficiency, our furnishings are built to last, easy to maneuver, and seamlessly integrate into any environment.

Pioneers in Quality and Design

At SICO® we understand that in the hospitality industry, every detail matters, from the guest experience to staff efficiency. That's why we design and build furniture that delivers unmatched quality, versatility, and aesthetic to every corner of your property. With a focus on flexibility, ease of use, and timeless design, we help hotels, resorts, and event venues create memorable moments—whether guests are gathering, dining, or celebrating.

Introducing Mosaic™

Mosaic™ Modular Buffet System

SICO's Mosaic™ Modular Buffet System empowers chefs to create the ideal dining experience for any event.

With the Mosaic™ Buffet System, every event becomes an unforgettable experience—engaging guests, delighting the senses, and elevating your space.

Designed to adapt effortlessly to your space, the system is available with a variety of appliances, sizes, storage solutions, colors, and finishes, allowing you to create a dining experience tailored to your environment. With tool-free assembly and minimal staffing required, setup is always fast and stress-free.

With chef-inspired design and unmatched flexibility, the Mosaic™ Modular Buffet System transforms events of all sizes and styles.

Choose from a variety of colors and finishes to fit your specific needs. Full product info sheets can be found on our website.

Create. Engage. Experience.

Free Space Design Service,
determine the optimal
layout and products for
your space.

Durable. Versatile. Innovative.

Durable Design

- Glass or tops with high-pressure laminate surfaces.
- Built for indoor or outdoor use.
- Water, stain, and scratch resistant for long-lasting performance.

Effortless Assembly

- Compact, 14-gauge steel frame that can be dismantled for storage, if needed.
- No tools required.
- Sets up or packs down in minutes for quick transitions between events.

Smooth Movement

- Heavy-duty dual-wheel swivel casters.
- Non-marking casters with thread guards.

Versatile Functionality

- Adaptable design works as buffets, nesting tables, or catering setups.
- Easily reconfigure to fit any space or service style.
- Modular, self-contained units for simple transport and tight storage.

Height Adjustable

- Base adjusts from 30" to 42" in 4" increments.
- Flexible configurations tailored to every event.

Customise Set-up

- Choose from compact shelf kits and fascia panels.
- Personalize your layout to match any venue or theme.

6 Steps to Design Your Buffet System

1

Choose Your Frame Size

Select from 30", 66", 72", or 78" wide frames with adjustable heights.

2

Choose Your Worktops

Pick from single or dual top options.

3

Select Worktop Finish

Choose glass or your preferred color from the SICO® range of durable, compact laminate finishes.

4

Pick End Fascia Panels

Choose the finish of your end panels from the SICO® color options to match your design.

5

Select Front Fascia Panels

Fully enclose your unit by adding front panels, available in multiple sizes and finishes.

6

Add Shelving

Choose optional shelves in sizes that match your frame dimensions for added functionality.

Nested Configurations

Simple Modular Construction

Mix and match mutiple table sets for an extensive display or buffet setup.

Colors and Finishes

As with the entire SICO® product line, the Mosaic™ buffet system is available in a variety of colors and finishes.

Whether you want your buffet system to make a bold style statement or blend seamlessly into your venue, you have the freedom to choose the perfect look.

Whether it's a formal banquet or a casual gathering, Mosaic™ ensures you have the perfect setup. Create your own unique buffet station, exclusively for your staff and your guests. The wide range of colors and finishes that cater to every event and dining experience.

Plus, all components can be neatly stored away in our specially designed storage caddies, available as an add-on for convenient and efficient organisation.
