Features

The elegant & aesthetically pleasing design of the TDX series Diamond Cross tables makes it suitable to any venue.
The reversible tabletop and modular construction makes any arrangement possible for any event.
Easy to store and transport on one of our storage caddies, installation could not be simper. Just unfold the frame and locate the tabletop on top of it. To break down, simply remove the tabletop and fold the frame flat.

1 Tabletops

All tabletops are manufactured from durable 25 mm thick melamine faced chipboard (MFC) finished with a hard wearing 2 mm thick ABS edge banding.

2 Tabletop finishes

All Diamond Cross tops are available in a wide range of colours with a choice of edge banding colour.

3 Frame

Manufactured from high strength 16-Gauge steel tube, this modern design is both stylish and durable, allowing the flexibility and functionality needed for table use today.

4 Frame finishes

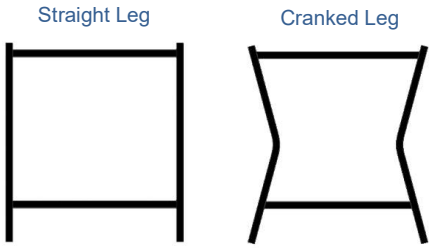

Choose from black, chrome, or gold epoxy finish to compliment your table.

5 Frame fixings

Hidden fixings are used on all frame pivot points to give a smooth classic and aesthetically pleasing look.

6 Legs

Available is 2 different styles: Straight & Cranked leg.
On the straight leg version, the legs are positioned vertically for a more classic look, whilst the Cranked leg version has a more formed profile, making for a sleek & stylish look.

7 Adjustable feet

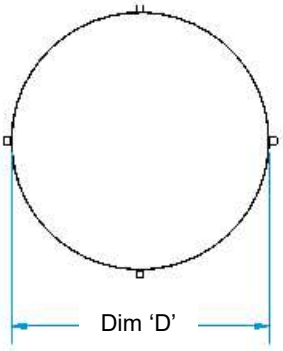

Adjustable feet are fitted to all TDX tables to ensure safe use on uneven surfaces if required.
