Welcome to SICO®

For over 70 years, SICO® has led the hospitality industry with innovative solutions, offering stylish in-room dining tables, versatile banquet furniture, portable dance floors, and mobile stages to enhance guest experience and operational efficiency.

Operating from a modern 40,000 sq ft factory in Kent, UK, with headquarters in Minneapolis, Minnesota, and additional plants in America, Asia, and Europe, SICO® is a global leader in hospitality solutions.

Our commitment to quality, durability, and superior customer service has made us the trusted partner for top hotels and venues worldwide, promising exceptional experiences at every event.

Global Leader in Hospitality

SICO® stands at the forefront of the hospitality industry, recognised globally for its innovative and comprehensive solutions. We create experiences that transform spaces into memorable environments.

Pioneers in Quality and Design

Since 1951, SICO® products have been designed with the guest and staff experience in mind, ensuring style and durability in high traffic environments. We create versatile spaces that adapt to the dynamic needs of modern hospitality.

Complete Conference and Banqueting Solutions

With SICO®, hotels can deliver exceptional guest experiences that leave lasting impressions. It is our goal to continuously enhance every aspect of your hotel offering, from arrival to dining and evening entertainment.

MADE IN THE UK

Nesting Tables

Designed to fit beautifully with the residential furniture look, SICO® Nesting Tables will enhance guest experience at every opportunity.

Arrange in traditional or unconventional layouts creating unique serving and action stations. Hand-crafted from beautiful Red Oak or Maple wood veneers.

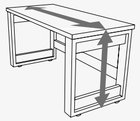

3 Sizes. Unlimited Uses.

A small table is perfect behind a sofa in the seating area of your lobby. Or a large table as a check-in station for your event. Try an assortment of sizes placed throughout your event space for various food or action stations. Or use them all together in a variety of nesting configurations.

- Choose from a wide selection of finishes.
- Optional glass top overlay for extra protection.
- Wood finish or stainless steel legs.

Choose from a variety of colours and finishes to fit your specific needs. Full product data sheets can be found on our website.

Socialiser Tables

SICO® Socialiser Banquet Tables offer versatility in three distinctive models, each with tiered heights to suit any venue.

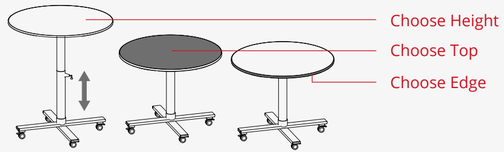

Whether your event calls for standing or seated arrangements, these tables provide the perfect solution for pre-function gatherings and receptions.

Renowned for exceptional quality and durability, the SICO® Socialiser table is a staple in hospitality venues worldwide. Its one-person operation allows the table to fold and roll effortlessly into place, with no lifting, assembly, or hassle required.

With unmatched practicality and elegance, the SICO® Socialiser banquet table enhances both service efficiency and visual appeal.

Key Features

- Sturdy MDF Core with a high-pressure laminate top ensures longevity and an easy-to-clean surface.
- SICO® Armor-Edge® provides a durable, protective perimeter for added longevity and cleanliness.
- Caddy-free mobility and compact, nestable storage thanks to its unique leg design and folding top.

Available in round or square top style

Choose from a variety of colours and finishes to fit your specific needs. Full product data sheets can be found on our website.

Diamond Cross Tables

The elegant, simple design of the Diamond Cross Frame Buffet Tables makes any event a show stopper.

This is the ultimate table for flexibility, designed to truly transform your space. Configure in a variety of functional and stylish set ups: the possibilities are endless.

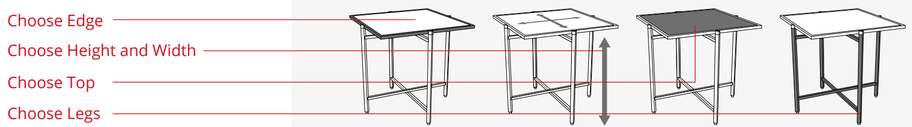

The reversible tops and configurable construction makes any arrangement possible for any event. The top lifts off and the frame folds flat. Simply roll the tops and frames into and out of storage on one of our table caddies.

Key Features

- **Configurable:** Choose different finishes each side of the reversible table, plus select from five durable frame finish options.
- **Customise Design:** Combine shapes, sizes and finishes to create the perfect solution for your space.
- **Compact Storage:** Simply lift the top and fold the frame flat. One table frame folds flat to a thickness of 8-9cm.

Choose from a variety of colours and finishes to fit your specific needs. Full product data sheets can be found on our website.

Seamless style.

Pacer Tables

Maximize your space and increase seating capacity effortlessly with the versatile SICO® Pacer table, designed to optimize room layout and functionality.

With its innovative oval shape, the Pacer table provides up to 32% more seating than traditional round tables, increasing profitability without sacrificing comfort. It can be easily folded and rolled by one person, streamlining setup and teardown while reducing labor costs.

Key Features

- **Multiple Shapes:** Oval, round, square, rectangle, and more.
- **SICO® Armor-Edge®:** Durable and sanitary edge protection.
- **High-Pressure Laminate Top:** Tough and long-lasting.
- **No Lifting Required:** Easily folds and rolls for transport and storage.

Nesting Storage

Our Pacer tables are just as impressive in storage as they are in service. When not in use, they fold easily for compact, upright placement in even tight areas. Another space challenge solved!

Pacer II Tables

The Pacer II elevates both style and functionality. Featuring a seamless tabletop reinforced with SICO® Armor-Edge®, this table offers enhanced durability and a premium look.

Engineered for low-maintenance operation, one person can easily manage setup of the Pacer II. This range is ideal for venues requiring quick turnover without compromising quality. With options for elegant finishes and a choice of round or octagonal tops.

Key Features

- **One-Piece Seamless Tabletop:** Available in beautiful laminate colours.
- **SICO® Armor-Edge®:** Hermetically sealed for maximum protection.
- **Premium Construction:** Nickel-chrome or powder-coated frame with tamper-proof fastenings.
- **Elegant Design:** Ideal for upscale venues with high durability needs.

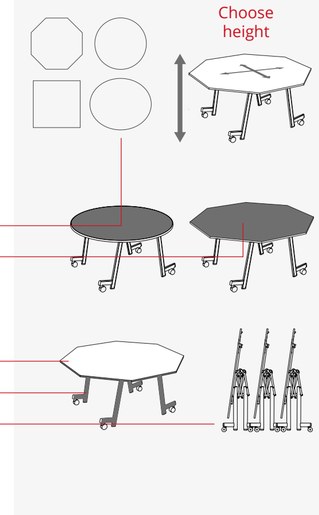

Choosing the Right Table

For venues prioritizing space efficiency, the Pacer Table offers versatile solutions. For those seeking elegance, the Pacer II delivers refined aesthetics with superior protection and functionality.

Versatile elegance.

Linenless Tables (Folding Leg Tables)

Achieve elegance without the expense of linens with our Edge® versatile Linenless Armor FLT banquet tables.

Choose from a variety of sizes and eye-catching laminates. Eliminate the need for costly banquet linens while creating a unique experience for your guests.

Choose from four leg designs, a variety of sizes, shapes and finishes. Elegant laminate options for the tabletop create just the right look for any event or function, without the use of linens. SICO® durable Armor Edge® ensures years of long lasting service while protecting your investment.

Key Features

- **Optional modesty panel:** Use for banqueting and meeting purposes.
- **4 styles of folding table leg**: Conference, T-Shape, Wishbone, or Wishbone C.
- **Easy transport and storage:** Fold and place into FLT caddie.

The SICO® Space Design Service is FREE - determine the optimal layout and products for your space.

Chairs

Whether you're outfitting a grand ballroom or a modern conference room, SICO® offers a wide range of chair styles to suit your needs.

With options in a variety of finishes, colours, and designs, SICO® chairs blend seamlessly with any décor, providing flexibility and elegance to elevate your event space.

From conferences to banquets, SICO® carefully sources and selects chairs that embody their commitment to quality, functionality, and design. Each model is chosen for its durability, aesthetic appeal, and ergonomic support, ensuring a seamless experience for guests at any occasion.

Key Features

- Extensive selection for conferences and banquets.
- Numerous colours and finishes for diverse venues.
- Styles that match the renowned quality standards of SICO®.

Full product information and product data sheets can be found on our website.

Flip Tech Meeting and Workspace Tables

The SICO® Flip-Tech Table frames offer a robust, reliable, and affordable solution for reconfigurable furniture in all environments.

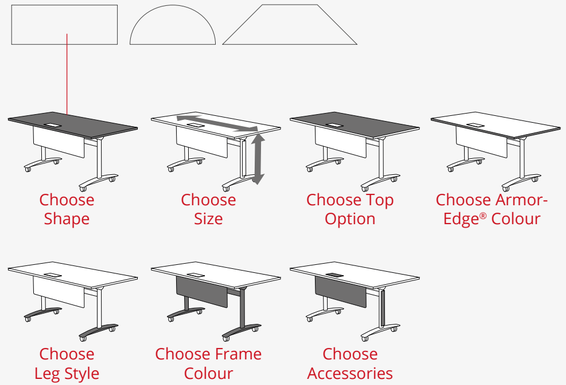

Designed for conference and meeting use, the table features an innovative neutrally pivoted release mechanism for vertical storage, easy setup, and impact.

Available in a variety of styles and able to accommodate an extensive range of top shapes and sizes. The Flip-Tech Tables can also be linked to customise the layout for each event. Combine different shapes for unconventional setups. Linking tables is as easy as rolling them together and latching.

- Choose from three standard top shapes in multiple finish options
- Durable edge and modesty panels included on every model
- Power port, USB port and cord storage for business use
- Swivel castors make it easy to configure tables for linking and into storage

A full range of conference tables and product data sheets can be found on our website.

Professional dance floors.

Dance Floors

Since our first professional portable dance floor in 1964, SICO® continues to lead the way for dance floors in hospitality.

Available in a laminate or wood parquet finish, each dance floor provides a solid, stylish, solution for any event. Most importantly they are designed with hospitality in mind, with a Cam-Lock system for easy alignment and simple set-up and take-down.

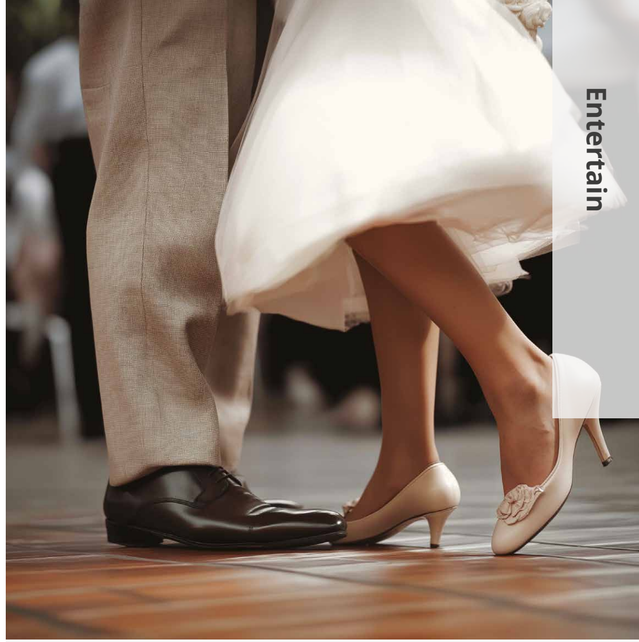

Laminate

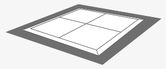

Our patented Cam-Lam or Starlight II solutions are for indoor and outdoor use. You can create a first-class dance environment for your guests virtually anywhere. They're maintenance-free and resist chipping, scratching and fading – protecting your flooring investment.

Wood Parquet

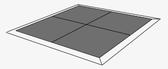

Some events require the beauty of real wood. The traditional, eye-catching parquet panels are finished with gold, silver or black Visi-Trim edges. Lightweight and easy to assemble, the original SICO® portable dance floor provides a durable and economical portable dance floor. Choose from Cam-Lock or Original assembly options.

Staging

In hospitality, every day brings a new event. Stay prepared and elevate your offering with SICO® Series 2000 staging.

We're proud to carry a complete line of innovative portable staging solutions and accessories that bring solid support and impeccable style to any event. Set-up is simple. Take-down is easy. And our variety of mobile solutions make transport and storage stress-free.

The SICO® 2000 Series stages can be used as a performance stage, a head table riser, a runway, a speaker's platform, or set up multiple units for musical group risers. With options for everything you need for a complete, professional staging: backdrops, steps, stage skirting, corner sections, guard rails, chair and table stops, and caddies for moving stage skirting and guard rails.

Key Features

- Each section of the SICO® 2000 mobile folding stage can be moved by one person
- The SICO® 2000 Series stage has been used and recommended by more venues than any other portable stage on the market.

Everything for a Complete, Professional Stage

SICO® offers everything necessary for complete, professional staging: backdrops, steps, stage skirting, corner sections, guard rails, chair and table stops, and caddies for moving stage skirting and guard rails.

Full product information and product data sheets can be found on our website.

Elevate Your Hospitality with SICO®

When you choose SICO®, you're choosing a global leader in hospitality solutions. Every product is meticulously designed and manufactured by our team in our UK factory.

Our commitment doesn't end at the point of sale. With our comprehensive after-sales service and maintenance plans, we ensure your SICO® products perform at their best, day in and day out.

At SICO®, we value strong partnerships and consistently provide industry-leading solutions. Our vision is to help hotels create exceptional guest experiences, from the moment they walk in to their dining, conferencing, celebrations, and a restful night's sleep.
